

Hello friend,
Have a nice day!

We are thankful to you for your interest in "Nishan" Fan Winding Machine. Along with that, after years of use, we have developed a very modern new machine as per the requirement and suggestion of the customers.

We are very happy to present **NISHAN** Winding Machine to our dear customers.

This is a new model with very modern and excellent system, ability to use economically and fully functional. Anyone can efficiently rewind FAN stator after operating the machine in a short time.

Our machines are of two types

Type: Manual Automatic or Auto Automatic,

Capacity:

Can do 75-100 rewindings per day.

Features of

NISHAN Machine

◆ Can rewind all types of (ceiling) stator fans with a single (unique) die. And table fan field coil can be rewinded with another attachment Winding can be done.

◆ Due to the presence of only one (unique) die, there is no need of screw diver or spanner (tools) for setting.

◆ A good magnetic brake and four digit battery backup is provided with micrometer. With which winding can be done carefully.

◆ One year warranty & guarantee of the machine is given with it.
